

### **Middle School Math Teacher (2025-26 Academic Year)**

The Contra Costa Jewish Day School (CCJDS) is a K-8 independent school with approximately 180 students, accredited by the California Association of Independent Schools and the Western Association of Schools and Colleges. We are seeking a part-time, passionate educator to join our team as a Middle School Math Teacher starting in August 2025. This position involves teaching one or more sections of mathematics, ranging from Pre-Algebra to Geometry.

At CCJDS, we are committed to fostering academic excellence, meeting the diverse needs of students, and building a collaborative and supportive learning environment. We take pride in offering a low student-to-teacher ratio, which allows teachers to build strong relationships with students and provide personalized instruction. Teachers benefit from generous prep time, teaching assistants in some classrooms, and a supportive community that encourages professional growth.

CCJDS provides a warm, inclusive, and collegial working environment, where educators are valued as integral members of the school community. We support professional development through access to workshops, conferences, and other opportunities to advance your teaching expertise.

#### **Key Responsibilities:**

- Teach one or more sections of Middle School Math, which may include Pre-Algebra, Algebra, or Geometry.
- Develop and implement engaging lesson plans that support a rigorous and differentiated curriculum.
- Assess and monitor student progress, providing individualized support and feedback to ensure academic success.
- Foster a positive and innovative learning environment that encourages creativity, critical thinking, and a love for mathematics.
- Conduct parent-teacher conferences twice a year, and communicate as needed with parents during the year, to share insights on student progress and collaborate on support strategies.
- Prepare timely and attentive parent communications, including narrative report cards twice a year, providing detailed feedback on each student's performance and growth.

## **Qualifications:**

- **Education:**
  - Bachelor's degree in mathematics or a related field.
- **Skills and Experience:**
  - Ability to teach math effectively at the middle school level, including Pre-Algebra, Algebra, or Geometry.
  - Demonstrated skill in clearly and concisely communicating mathematical concepts.
  - Proven ability to engage and inspire middle school students.
  - Strong interpersonal and communication skills with a collaborative, team-oriented approach.
- **Preferred Attributes:**
  - Enthusiasm for working with middle school students and contributing to their growth as learners.
  - A strong work ethic and dedication to fostering a creative and inclusive classroom environment.
  - Eagerness to engage broadly with the school community and participate in extracurricular activities or events.

We encourage candidates with a genuine passion for mathematics and middle school education to apply. If you are excited about creating a positive impact and being an integral part of a thriving school environment, we would love to hear from you!

The Contra Costa Jewish Day School welcomes qualified applicants with a variety of talents, interests, backgrounds and perspectives. CCJDS does not discriminate based on race, color, national or ethnic origin, sex, religion, sexual orientation, gender identity or physical disability in the admission of students or the employment of staff, nor does it tolerate sexual harassment.

## **Salary Information:**

Salary for this part-time position will be prorated based on a full-time annual salary of \$55,000-\$95,000, depending upon experience and credentials. Additional, prorated benefits include medical and dental insurance, 403(b) contribution and generous tuition remission for an employee with a child(ren) enrolled at CCJDS.

## **To Apply:**
